Attendees will learn how "soul injuries" cut us off from the energy of our deepest self, robbing us of the essence of our being.

Cost: \$15 (includes lunch)

Date: Saturday, May 14

9:00 AM – 4:00 PM Soul Injury Restoration Workshop

This workshop offers an *experience* of healing for traumatized people and their families. Its 3-dimensional design provides education for the mind, safety for the heart, and courage to develop a new relationship with weariness in the soul. Participants will learn how to re-own and re-home scattered pieces of self by cultivating *personal* intimacy with the part of self-carrying emotional pain. Connecting with the part of self-generating the pain, paradoxically, restores wholeness. Facilitation will also include a physician, Dr. Abi Katz, and secondary trauma specialist Kathy Van Pelt.

Place: St. John's Church 211 E. Carrol St., Kenton, OH

Cost: Donation (includes lunch)

(Friday conference & Saturday workshop are independent; you can attend either day or both days.)

Registration and Reservations: scott.johnson7579@gmail.com or 571-420-8758

Date: Sunday, May 15

Time: 4-6PM. **Soul Injury: An Overlooked, Unassessed Consequence of Chronic Stress & Trauma**

The mental and emotional injuries that accompany trauma are readily identified. Less recognized are the *insidious* wounds that occur with trauma and, indeed, with all of us whenever we lose a sense of our own goodness/inner beauty or we think we are inadequate or defective. Whether traumatic or insidious, these "soul injuries" cut us off from the energy of our deepest self, robbing us of the essence of our being. Connecting with the part of self-generating the emotional pain, paradoxically, restores wholeness. Thus, soul restoration includes learning how to re-own and re-home scattered pieces of self by cultivating *personal* intimacy with the part of self-carrying our emotional pain.

Place: 450 Walnut Glen Dr, Wilmington, OH.

Cost: Donation
